Welcome to Presbyterian Support Northern

An introduction to our services

Presbyterian Support

*A Better Life For
Everyone*

Who are we?

Presbyterian Support Northern is a highly capable charitable organisation which has been providing social services to New Zealanders for more than 125 years.

We offer support for families, children, older people and people with injuries and disabilities, particularly those who are at risk or vulnerable.

Our founders had a vision of individual lives and society transformed. Today, as a client-centred organisation, we continue that mission with services adapted to current needs.

You can help us make a real difference for people in need throughout the top half of the North Island.

We rely on financial donations from the community because government funding does not cover all our costs and the capacity to self-fund is limited.

“I feel like our family is saved – that we have a family now.”

FAMILY WORKS CLIENT.

Working with others

Our expert social service workers help clients build on strengths within themselves to address issues and achieve their goals, leading to a better quality of life.

Presbyterian Support Northern partners with churches, schools, other service providers and community organisations to make a larger and more effective difference in communities from Whangarei to Taupo.

All our services are regularly assessed by independent evaluators so we can find out how we are going, and how we can do better. We continue to improve by acting on feedback from clients.

“Enliven’s support really assists me and allows me to maintain my busy lifestyle.”

DAVID, PARAPLEGIC, STUDENT AND BUSINESS OWNER.
